Every Connection Counts:

We've Got Them Covered

Dinex Pipe Technologies – Pipes, Clamps & Gaskets for the Heavy-Duty Aftermarket

Pipes Built to Perform

Stainless steel 409, robust thermal insulation and bent designs instead of welds. In short: Engineered to endure.

Every Connection Matters

Quality clamps and gaskets help ensure a proper seal, preventing exhaust leaks and unwanted performance issues.

One Source. Complete Coverage.

Pipes, clamps and gaskets from one trusted supplier. Everything needed for a proper exhaust system repair.

Face Winter with Confidence

Freezing temperatures, road salt and harsh conditions put exhaust systems to the test. With durable stainless steel, robust insulation and reliable connections, Dinex Pipe Technologies are built to take on the challenge.
