going the extra mile

## Dinex GROUP

The Dinex Group is a leading global manufacturer and distributor of innovative engineered gas and diesel exhaust aftertreatment emission solutions for the heavy duty truck, construction & agricultural vehicle industry.

Every day our products and technologies clean the exhaust gas from millions of vehicles worldwide in compliance with the most stringent emission legislations, such as EURO VI and EPA10, and with solutions in place for carbon-neutral fuels and Power-to-X applications, Dinex is a part of a green, climate-neutral future for next generations.

The Dinex Group, headquartered in Denmark, operates through 20 companies and 1,500 dedicated people worldwide. Dinex is present in 13 different countries, 4 regions, with 6 global tech centers and facilities in Denmark, USA, India, China, Turkey, UK, Germany and Latvia. Additionally, Dinex has sales and distribution companies in Spain, Italy, France, Germany, UK, Poland and Serbia.
